

SHARING HOPE AND KINDNESS IN NEW CANAAN

There are so many people and organizations in New Canaan who have and continue to demonstrate incredible acts of kindness, leadership and dedication in the face of the Covid-19 pandemic. It is our hope to capture and archive the many heroes in our town on www.covidhope.com. Please share stories, pictures and/or video of our frontline, first responders, essential workers, town and school employees, organizations and everyday people doing everyday acts of kindness.
